YOUR ONE-STOP SUPPLY PARTNER FOR ELECTRICAL & MECHANICAL SOLUTIONS

3 Industria Street • Polokwane

ELECMEC TRANSMISSIONS cc is conveniently located in the heart of Polokwane, with ample parking for our customers.

We specialize in industrial and commercial electrical and mechanical products, offering a broad range of solutions designed to be both cost-effective and reliable.

As a locally owned company, our committed, well-trained team brings over 30 years of combined electrical and mechanical experience.

Skip the hassle of dealing with multiple suppliers—one knowledgeable ELECMEC representative can assist you with most of your electrical and mechanical needs, making sourcing simple, fast, and efficient.

We have listed OUR large range of products in the following categories:

**CONTROL
TECHNIQUES**
PARTNER

AUTOMATION & MOTOR CONTROL

- Custom Motor/Pump Control Panels
- Cloud based Monitoring & Control Platform
- Industrial Communication, Monitoring & Control
- PLC & HMI
- Rotary Encoders
- VT SCADA
- Servo Drivers & Motors
- Star Delta & DOL Starters
- VSD & Soft Starters

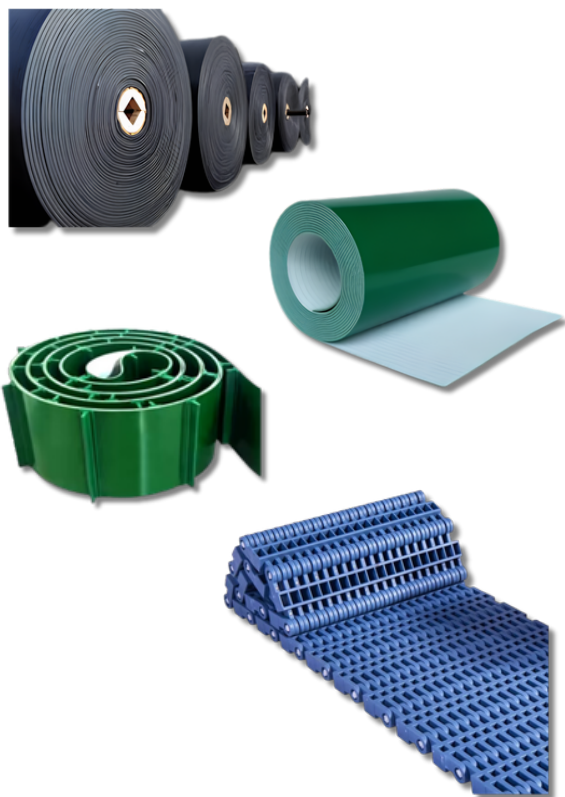

ISO BEARINGS

TIMKEN

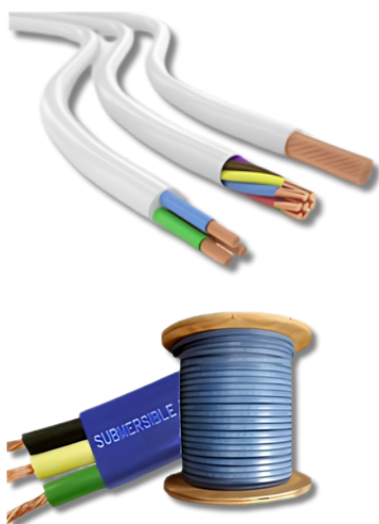

BEARINGS & ACCESSORIES

- Ball Bearings
- Thrust Bearings
- Angular Contact Bearings
- Spherical Roller Bearings
- Cylindrical Bearings
- Linear & Needle Bearings
- Taper Roller Bearings
- Roller Bearings
- Flange Bearings
- Pillow Blocks & Sleeves
- Wheel BRG Kits Accessories

BELTING & ACCESSORIES

- Head & Tail Pulleys
- PVC Belting
- Modular Belting
- Cleated Belting
- Transmission Belting
- Magnetic Belting
- Tobacco Belting
- FDA Belting
- Rubber Belting
- Side Walls
- Cleats
- Belt Fasteners
- Building Conveying as per Client's Needs

CABLE

- Cab Tyre
- H07 Cable
- Multi-Core Cable
- Screened/Unscreened Control Cable
- SWA (Steel Wire Armoured Cable)
- Bare Copper Earth
- Trailing Cable
- Submersible Cable
- Welding Cable
- Surfix
- House Wire
- Panel Flex Wire

CONVEYOR ROLLERS FOR ALL INDUSTRIES

- Gravity Rollers
- Palletizer Rollers
- Stainless Steel, Mild Steel & Galvanized Rollers
- Conveyor Components
- Roller Kits
- Roller Drive
- Drum Motors & Controllers
- Diverters

ELECTRICAL

- Level, Irrigation & Pump Products
- Power Suppliers & Transformers
- Circuit Breakers, Fuse Gear
- Earthing, Surge & Lightning Protection
- Contactors and Overloads
- Moulded Case & Air Circuit Breakers
- Push Buttons & Pilot Lights
- Wiring & Termination
- Industrial Plugs, Sockets & Connectors
- Cable Support System
- Metering
- Timers & Control Relays
- Field Switching & Safety Curtains
- Limit Switches, Sensors & Proximities
- Temperature Controls
- Fans, Panel Heaters & Climate Control

ElectroMechanica

SCAME

:hager

- Enclosures & Accessories
- Load Breaks & Changeover Switches
- Electronics
- Temperature Controls & Probes
- Power Factor Correction
- Anti-Harmonic Systems

ELECTRIC MOTORS

- WEG
- Marelli
- Motorelli
- AMG
- Actom
- Marathon
- Electromote

HIGH PRESSURE WASHERS

- High Pressure Cleaners
- Drain & Sewer Cleaners
- Industrial Vacuum Cleaners
- Airless Spray Paint
- Hudson Sprayers
- Flojet Pumps
- Safety Showers & Eye Wash Stations
- Accessories

INDUSTRIAL POWER TRANSMISSION PRODUCTS

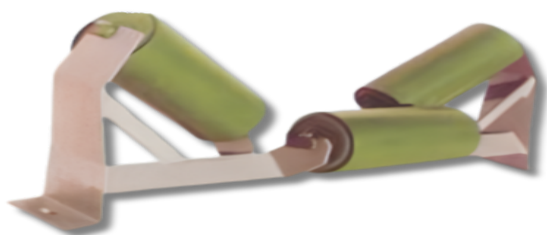

- V-Belts & Wedge Belts
- Pullies & Tapper Bushes
- Weld Hubs
- Couplings, Tyre HRC & Chain
- Drive Chains & Sprockets
- Torque Limiters
- Clamping Elements
- Shaft Mounted Speed Reducers
- Gearboxes

LIGHTING

- LED Globes
- Linear & Industrial LED Fittings
- Recessed & Panel Lighting
- Maxi Globes
- Florescent Lights
- Solar Spot Lights
- Flood Lights
- Ceiling Lights
- Strip Lights
- Garage Lights
- Oven Lamps

METERING PRODUCTS

- Multi Meters
- Digital Clamp Meter
- Thermal Images
- Insulation Tester

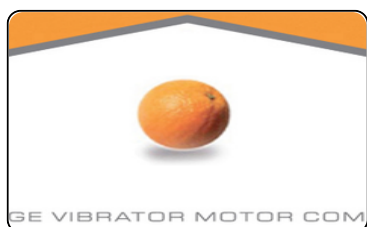

CONVEYOR & ACCESSORIES

- HDPE Idlers & Rollers
- Return Rollers
- Toughing Idlers
- Impact Idlers
- Roller Mounting Frames & Equipment

PUMPS & ACCESSORIES

- Pump & Base Plate Solutions
- Centrifugal Pumps
- Sewage Submersible Pumps
- Borehole Pumps
- Multi Stage Pumps
- Dewatering Submersible Pumps
- Valves
- Accessories

PNEUMATICS

- Pneumatic Cylinders
- Solenoid Valves
- Service Units
- Fittings & Tubing
- Accessories
- Pneumatic Automation

VIBRATOR MOTORS

- 220V Industrial Motor (1PH)
- 380/525V Industrial Motor (3PH)
- Flow Aids
- Concrete Consolidation
- Mounting & Tensioners
- Oscillating Suspensions

SCHNEIDER ELECTRIC

- Automation Products
- Telemecanique Switch Gear
- Motor Control
- Circuit Breakers & Isolators
- Surge Protection
- Push Buttons & Pilot Lights
- Limit Switches
- Electronics

TOOLS & HARDWARE

- Power Tools & Air Tool Accessories
- Generators & Compressors
- Adhesives
- Lubricant & Sealants
- Abrasives
- Welding & Safety Equipment
- Cordless Tools
- General Tools & Hardware

MISSION & VALUES

We base our principals on the following:

CUSTOMER FOCUS

- The customer always comes first
- We always try to be friendly and courteous
- We succeed only if our customers succeed
- We consider the Customer in our decisions
- We find any way to satisfy our customers

COLLABORATION

- We know it takes a team
- We are open to constructive criticism
- We run an open door management style
- We share information
- We respect each other and we make time to help

RESULT DRIVEN

- We achieve results
- We are accountable
- We make impact
- We measure our success and our mistakes

PASSION

- We are motivated
- We take initiative
- We have fun
- We inspire others
- We save the drama for your mama

WE PLAY TO WIN

- We are bold and confident
- We relish competition
- We've got guts
- We play to win

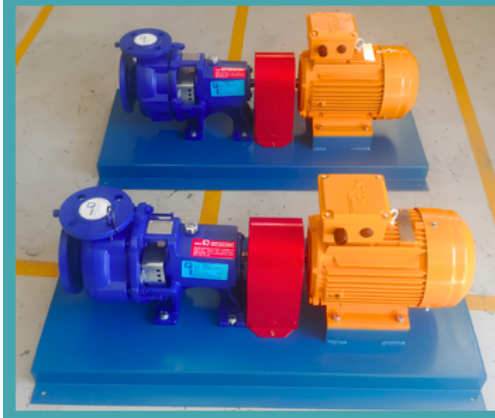

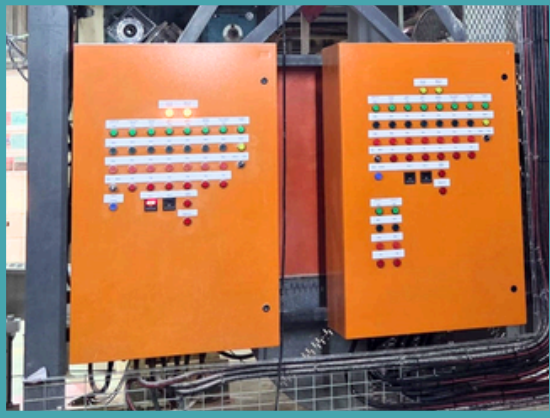

INTEGRITY

- We are honest and candid
- We admit mistakes
- We don't lie
- We are ego – less
- We don't take bribes and we don't make bribes

NOTES

OUR WORK

**Specializing in Fitting and Turning, General Engineering,
Electrical Installations & Maintenance**

18a Industria Street • Polokwane

Our aim is to optimize our customers production systems and driving innovation across industries.

We are your one-stop engineering workshop for most industrial machineries, electrical and mechanical repairs.

We do electrical automation, conveyors, panel building, electrical installations & maintenance.

WE SPECIALIZE IN:

- Lazer welding
- CNC plasma cutting
- Sheet metal bending & cutting
- Mild & Stainless-steel fabrication
- Milling & turning
- Purge welding
- Customized machine building

MANUFACTURING, REPAIRS & MAINTENANCE OF:

- Industrial machinery
- Pack house machinery
- Electrical installations
- Generators
- Gearboxes
- Conveyors
- Pump recons
- Panel building
- High pressure washers

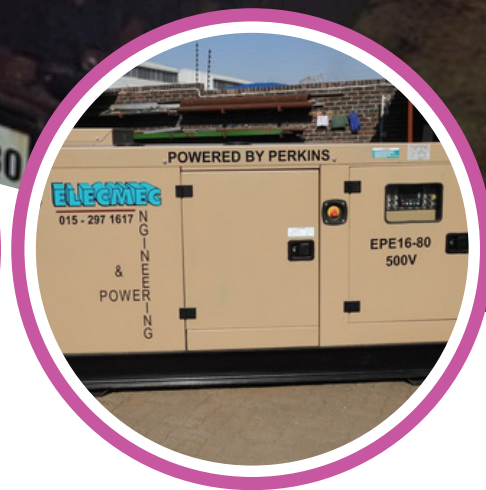

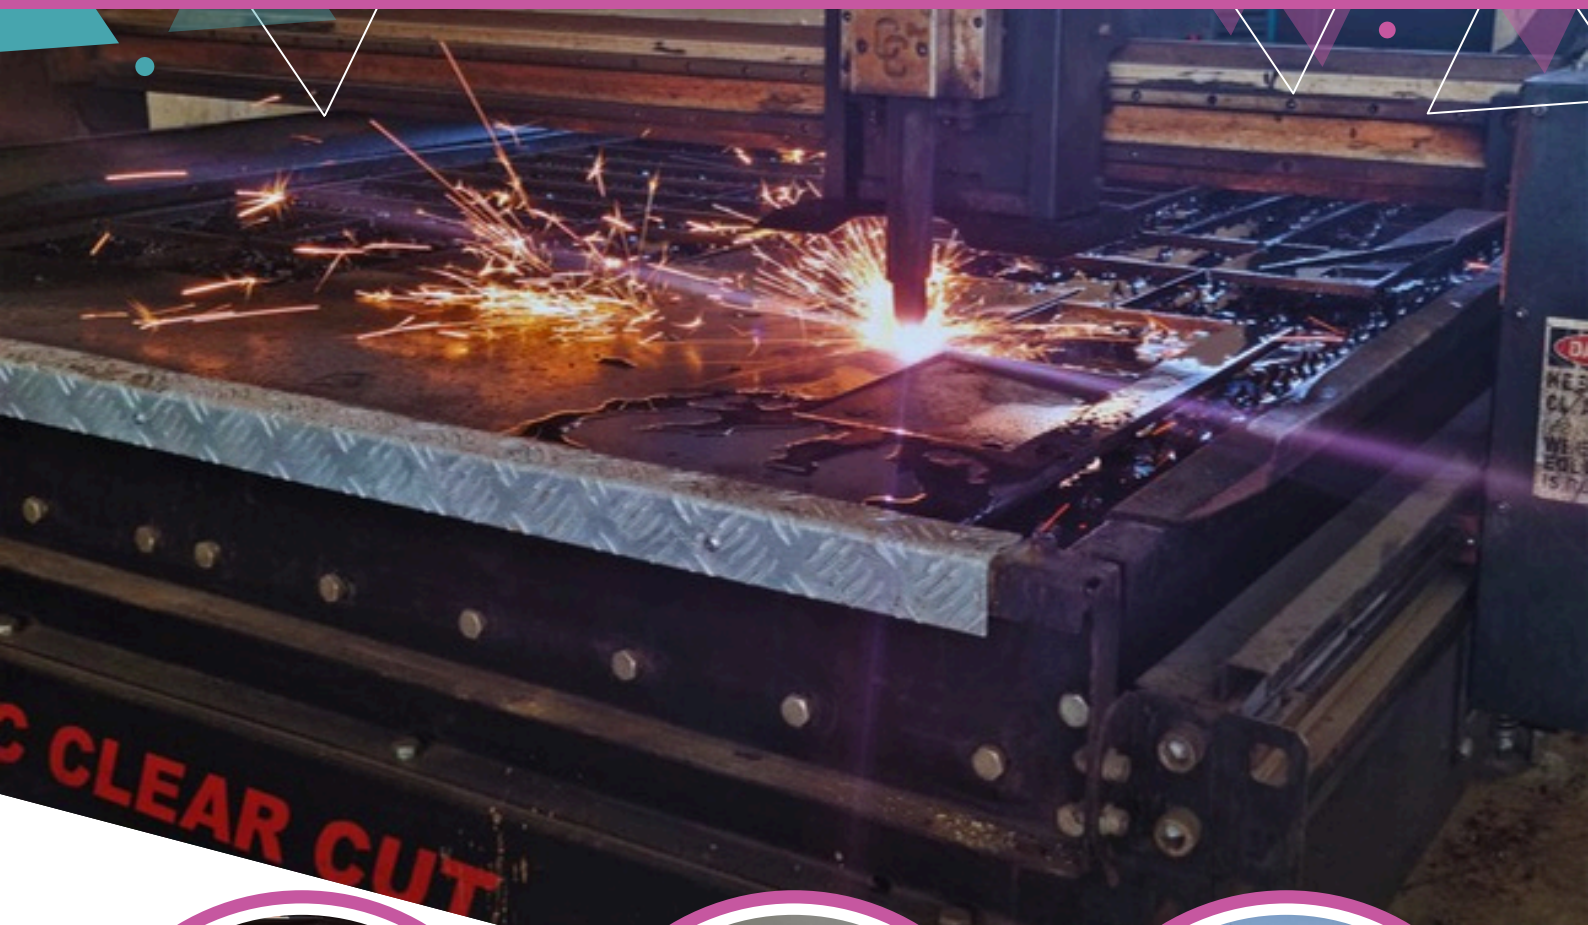

ENGINEERING & REFURBISHING:

- Plate compactors
- Tractor scrapers
- KSB pumps
- Baking equipment
- Bread provers
- Processing equipment
- Crate washers
- Sizers
- Crating
- DE coilers
- Stackers
- Mixers
